"An event that will drive them wild!"

WHAT IS NCM MOTORSPORTS PARK?

A safe and challenging environment where drivers of all ages, interests and skill levels can become more proficient behind the wheel.

It's also a unique and adrenaline fueled venue for your next private or corporate event.

NCM Kartplex

The newest addition to the NCM Motorsports Park is the NCM Kartplex. It is the ultimate arrive and drive experience for people of all ages. The only requirements are closed toe shoes, must be 60" or taller and be willing to get a full dose of adrenaline!

Switch up the standard office party or conference room meeting and spend a day at the track! We have a fully equipped classroom and can arrange for catering. Work hard, play harder... right?

You can choose to reserve the karting facility by the hour, or host your choice of a karting party or an endurance race. We will work with you on what will accommodate your group best for the maximum amount of fun!

BUT, THAT'S NOT ALL...

We have activities that get you and your attendees behind the wheel of one of our track cars, including Corvettes and Camaros! Face off with one another during a Mirrorkhana to see who has the need for speed as well as precision and control in an autocross setting. A bracketed competition will leave only one winner in the end. You can also choose to crown a Cone of Shame!

Looking for a once in a lifetime activity? Award your attendees or winners with Hot Laps on our racetrack driven by one of our track professionals in a Corvette ZO6. Speeds can reach up to 150mph!

Back Seat Driving is another activity aimed at improving communication. The driver is blindfolded while the passenger (navigator) talks them through a coned course. Participants will be driving golf carts.
