WHAT IS NCM MOTORSPORTS PARK?

A safe and challenging environment where drivers of all ages, interests and skill levels can become more proficient behind the wheel.

It's also a unique and adrenaline fueled venue for your next private or corporate event!

The newest addition to the NCM Motorsports Park is the NCM Kartplex. It is the ultimate arrive and drive experience for people of all ages. The only requirements are closed toe shoes, must be 60" or taller and be willing to get a full dose of adrenaline!

You can choose to reserve the karting facility by the hour, or host your choice of a karting party or an endurance race. We will work with you on what will accommodate your group best for the maximum amount of fun!

Switch up the standard office party or conference room meeting and spend a day at the track! We have a fully equipped classroom and can arrange for catering. Work hard, play harder... right?

BUT, THAT'S NOT ALL...

We have activities that get you and your attendees behind the wheel of one of our track cars, including Corvettes and Camaros! Face off with one another during a Mirrorkhana to see who has the need for speed as well as precision and control in an autocross setting. A bracketed competition will leave only one winner in the end. You can also choose to crown a Cone of Shame!

Looking for a once in a lifetime activity? Award your attendees or winners with Hot Laps on our racetrack driven by one of our track professionals in a Corvette Z06. Speeds can reach up to 150mph!

Back Seat Driving is another activity aimed at improving communication. The driver is blindfolded while the passenger (navigator) talks them through a coned course. Participants will be driving golf carts.

CORVETTE EXPERIENCE

DRIVE A CORVETTE *AT NCM MOTORSPORTS PARK*

Ever dreamed of driving America's Sports Car? How about on a race track? Now you can at NCM Motorsports Park! Get behind the wheel of a brand new Corvette for laps around our 3.15 mile road course built for speed!

PRIVATE SPACES AVAILABLE TO RENT

Enjoy the views from our lower level classrooms, upper level conference room or observation deck. It's the perfect space for meetings, mixers or social events. Needing to accommodate a larger group? We also have a garage complex and a covered pavilion.
